- 4- Complete the online form and the physical one for Georgian Citizenship
- 5- Passport sized photo with plain white background (not digital)
- 6- For lawful source of funds prepare copies of:
 - i) 5 years personal tax returns (translated into English- apostille not required)
 - ii) If based on your own business, copy of articles of registration / incorporation (translated into English- apostille not required)
 - iii) 5 years company tax returns and latest financial statement / balance sheet (translated into English- apostille not required)
 - iv) If based on sale of property (real property or other) copy of sale documents proving sales price (translated into English- apostille not required)
 - v) For iv) above, include original purchase documents if available (translated into English- apostille not required)
 - vi) Bank reference letter for principle applicant (translated into English- apostille not required)
 - vii) If based on salary & savings- proof of income (personal payroll) & savings / investment accounts (translated into English- apostille not required)
 - viii) Other documents considered relevant to proving lawful source of funds (translated into English- apostille not required)

Obtaining the Apostille:

Apostilles authenticate the seals & signatures of officials on public documents such as birth certificates, court orders, or any other document issued by a public authority so that they can be recognized in foreign countries that are members of the 1961 Hague Convention Treaty. Check the Apostille requirements in your own country and where to send the certified documents for the apostille stamp. Do not send us any originals - just upload via the CRM.
